FLE - Evening courses

2026-2027

Do you want to start learning French or improve your French language skills? Are you looking to discover and understand the French culture through an immersive experience?

We offer intensive and interactive courses in small multicultural groups. Our teachers use a holistic approach, and you are guaranteed to work on your oral and written skills through a variety of authentic tasks. Contact us, we certainly have a course suited to your needs!

FLE evening courses are eligible for the CPF.
Contact us for more information.

CLARIFE reserves the right to cancel a course if there are insufficient registrations.
