CLARIFE

FLE - Pre-University Program

August 2026

CLARIFE pre-university programme will give you the tools you need to quickly adjust to student life. Whether you plan to study at the Université Catholique de Lille or another French institution, this course teaches not only the language skills, but also gives insight into the cultural aspects of studying in France. The objectives of this intensive course are to prepare you for methodologies used in higher education and develop your language skills.

The Pre-university courses are eligible for the CPF. Contact us for more information
