SYSTÈME DE NOTATION / INSTITUTIONAL GRADING SYSTEM

Les étudiants sont évalués sur 20, 20/20 étant la meilleure note.

Les étudiants en échange peuvent valider une matière à partir de 8/20.

Les crédits ECTS sont transférés pour les cours où l'étudiant a obtenu une note de 8 ou 9/20 seulement si la moyenne générale est supérieure ou égale à 10/20.

L'obtention de notes peut se faire via contrôle continu et/ou via examens finaux, travaux individuels et/ou de groupe, présentations orales ou encore participation en classe. La plupart du temps il s'agit d'une combinaison de tous ces modes d'évaluation.

ENGLISH VERSION

Students' work is graded out of 20 points, with 20/20 being the highest grade.

For exchange students the lowest passing grade being 08/20.

Credit is transferred for classes where the student obtained a grade of 8 or 9 only if their GPA is of 10 or over.

Grades may be awarded for midterm and/or final examinations, individual and/or group papers and reports, presentation and class participation.

Most grades are a mix of several of these types of assessment.
